CLEANSING CREAM

Moisturizing  
NORMAL/SENSIBLE SKIN

SUPERIOR ORGANIC PURITY RITUAL is an innovative anti-aging cleansing and make-up remover cream which acts by specifically counteracting the attack of free radicals, the main cause of skin aging.

The combined research of Molecular Bioliquefied® Mullein Flower with 20 other precious active ingredients gives life to a unique and high quality formula, a refined purity ritual.

The Pure Waters of Cornflower and Hamamelis perform an ultra-delicate and soothing purifying action, respecting the natural hydrolipidic film of the skin (Natural Moisturizing Factor) without altering its physiological pH.

Molecular Bioliquefied® Mullein Flower gives the complexion a luminous and uniform appearance. Hyaluronic Acid helps keep skin hydrated and plump.

Precious Organic Argan, Avocado and Extra Virgin Olive Oils blend in a rich and nourishing texture.

Suitable for all skin types, especially the driest and most sensitive ones.
